

GEELONG
HIGH SCHOOL

PATHWAY INFORMATION EVENING TUESDAY 22ND JULY

**ALL CURRENT YEAR 8, 9 AND 10 FAMILIES SHOULD
ATTEND**

Students and families are invited to attend our Pathway Information Evening and are strongly encouraged to attend. Making informed subject choices in your schooling is an important part of ensuring that your secondary school experience is an effective stepping stone into the next stage of your life. In order to design a course that best suits your individual abilities, strengths and interests, the evening will provide a wide range of expert workshops, presentations and stations for you to gather the information you need.

In the Atrium from 6pm to 7:30pm you will be able to speak to key leaders from each Learning Area Subject, and also discuss your options with University, TAFE, Apprenticeship and Defence Force representatives.

There will also be a series of workshops for current Year 8, 9 and 10 students and their families running from 6:00pm to 8:00pm. Please refer to the outline for these workshops on the rest of this flyer – only attend those that are relevant to you and your aspirations. Each workshop is 20 minutes with time provided for questions at the end.
